VICTORY

We respectfully dedicate this 1942 issue of the LA-REVUE to the many divisions of the ARMED FORCES, who are striving ever forward toward a victorious end in our present conflict. And may these gallant fighters for freedom never suffer defeat.

FORWARD

Herein we have attempted to portray the passing of another school year, endeavoring to represent the importance of our school life.

If by preserving them in book form, it brings pleasant memories during the years to come, our purpose shall have been fulfilled.

IN APPRECIATION

To Mr. Hiatt, the class advisor for the last two years, we wish to express our deeply felt appreciation for the everlasting friendship he has shown us and his jolly disposition which has kept our hopes high through the years. As we leave, we will never forget his fine character and hope that many other classes will be fortunate enough to have him for their advisor.

The Senior Class of '42

POEM

Duty calls onward. A sigh for the past,
And a cheer for the great gone before!
Still upward and onward we'll climb, till at last
The laurels are ours which they wore.
Here's a hand, people all! With the heart as we go,
And a friendship we never must stain,
These halls as students we may ne'er again know;
Here after you'll hear of us all.

AMERICA ARISE

Fellow Americans, the time has come when we must unite for the protection of everything we hold so dear to our heart.

The very extent of our mighty nation must forget its pride and petty hatreds. This is a struggle in which every one must do their precious bit. We must put our chest out and our chin up, for there will be sacrifices to make, and no matter how small, there will be duties too. The unionization of man, woman and child must reign over all.

American must stand as stone doth endure.

America Arise! For might is right when
for freedom we fight.

SENIOR CLASS HISTORY

September, 1938, was an exciting time for thirty-six timid boys and girls as we enrolled in the old high school. Eight years of strenuous study were behind us. In the past we had gotten by some way--what about the future? Soon after we were enrolled, the rumors of gruesome happenings at initiation came to our ears. The initiation, which was a lot of fun for the upper classmen, was finally over and we began taking part in school life and studies. Toward the end of the year, we felt more as if we were part of the high school.

The next year we had other experiences; we were in the new Union High school. Our enrollment had increased to fifty-one ambitious students. Of course, there were many new faces.

Fifty-three students enrolled in our junior year. We were now called "Upperclassmen" which pleased us. With the proceeds from our play, "The Ready-Made Family", we were hosts to the Seniors and took them to Roamers' Rest for the annual Junior-Senior picnic.

Our fourth and last year (the year we had been waiting for) was filled with thrills. Fifty-five of us enrolled. Our Play, "The Yellow Shadow," was a mystery play given in March. We had fun on skip day at Hazel Green Park. Finally, graduation arrived, the climax of our four years.

During the entire four years, the boys of our class were very active in the major sports--baseball, basketball, and football. We always had some members of the class upon the honor roll. Bruce Brown and Dick Buswell are the only two of our class who went through grade school and high school in Willamina. The pennant given for the highest percentage of student body tickets bought was awarded to us when we were Juniors and Seniors. We missed the six Senior boys who left for the navy but are glad they are serving our country.

Now, as we are leaving school, we wish to thank all the teachers who helped us receive our education. We will certainly miss the teachers, our many friends, and the good times we experienced during our four years at WILLAMINA HIGH SCHOOL - - - - -now, ADIOS

GRANDE HOTEL

In the year 1952, people come and go through the lobby of Grande Hotel. Let us part the curtains and take a peek.

Madame Ovene, erstwhile Ovene Garoutte, now the swank dress designer, swishes into Grande Hotel in her latest devastating creation. Anna Ruth Cook, that glorified chorus girl, lying in bed in her luxurious apartment, is daintily yawning and stretching her shapely million-dollar legs. There issues from a nearby suite the synocopating strains of a piano being played by the celebrated orchestra leader, Harold Miles.

A neat, prim school ma'am, dressed in tweeds carrying several books under her arm, steps briskly into the lobby. The clerk barks "Mail for Miss Anne Reinbold."

At that moment, with a grand sweeping gesture, the wealthy widow, Inez Van Gelt, nee Blondina Lawson, passes through the lobby on her way for a walk with her Pekingese. A few minutes later a call comes from the sumptuous rooms of Suite B, where Miss Alice Bedortha, that dynamic tragedienne, strides dram-

atically about the room, fretting because her daily supply of gardenias has not arrived. Just as the curtains are about to close, let us take a rapid glance into the special apartment where proud Mother Peoney, nee Evelyn Westwang, is hovering over her brood of octuplets, as the maids dress them for their morning appearance at the Frivoli Theatre, where the tiny tots are packing them in. The curtain falls until tomorrow.

Our worth is rated by the service rendered--
"What we give, not what we get" reveals our soul.
Let's give our best; a flowing measure tendered
Will help the striving one to reach his goal.

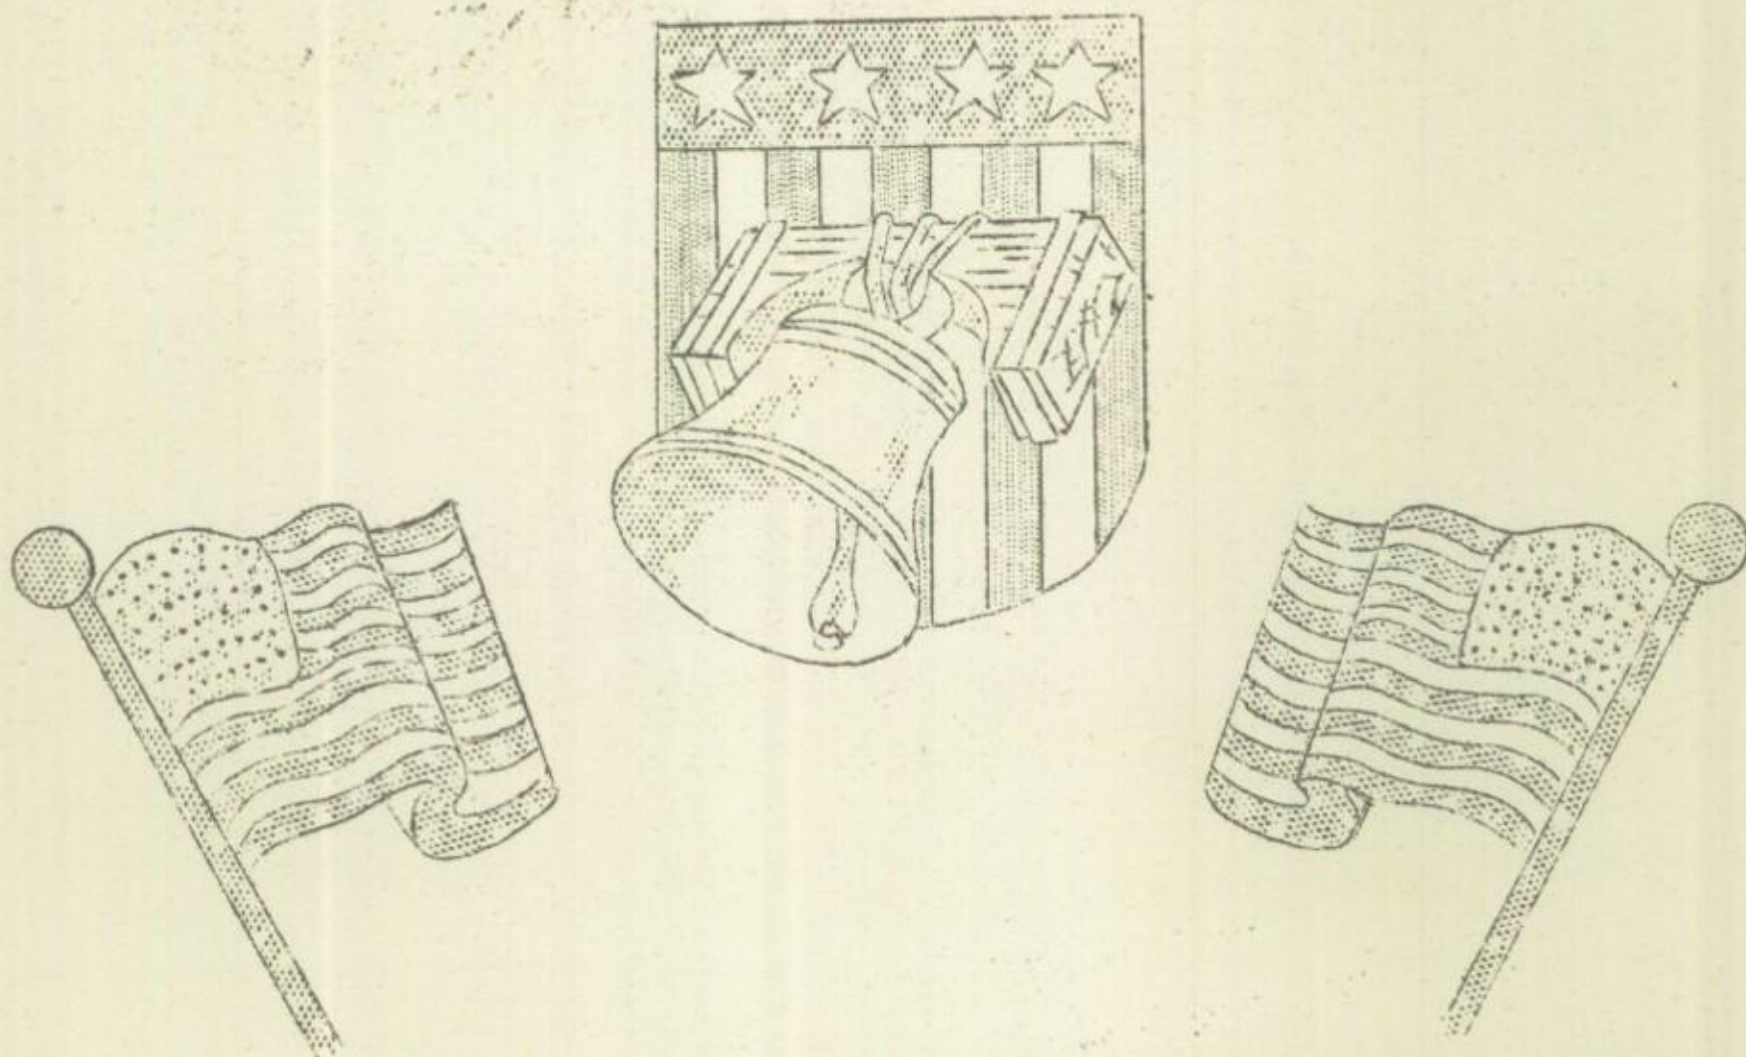

THE JUNIOR CLASS OF WILLAMINA, 48 STRONG,
SALUTE YOU!

We said 48 strong and don't you believe us? Well, just look us over for awhile. This class was the first Freshman class to enter the new high school building in 1939, and for the past three years we have built our class up to be one of the outstanding classes of the school.

For example, the yell queens were picked from our class, doing their utmost to uphold their position. The Junior class is represented by five council members. In athletics the Juniors have not been left out. Our class president supported us by his outstanding work in track meets. He also received a medal for his good spirit and hard work.

Another Junior, or should I say valedictorian, is Ilene Thomas, who for the past years of high school has received the average of straight one's. So, the Juniors believe themselves capable of reaching even greater heights and are eagerly looking forward to next year when they will step in as the Seniors of 1943.

SOPHOMORE CLASS RECORD

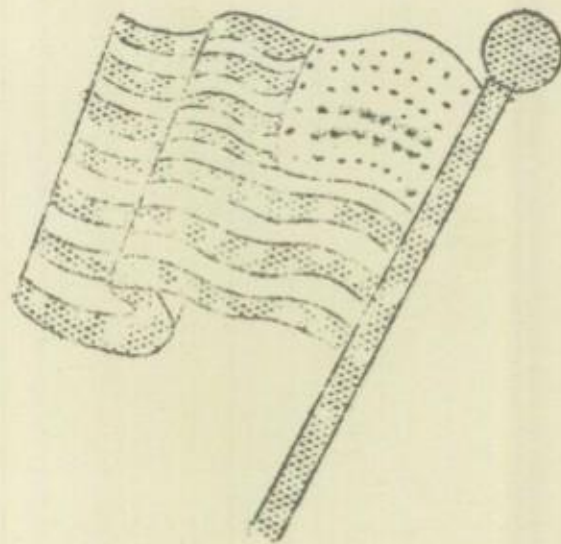

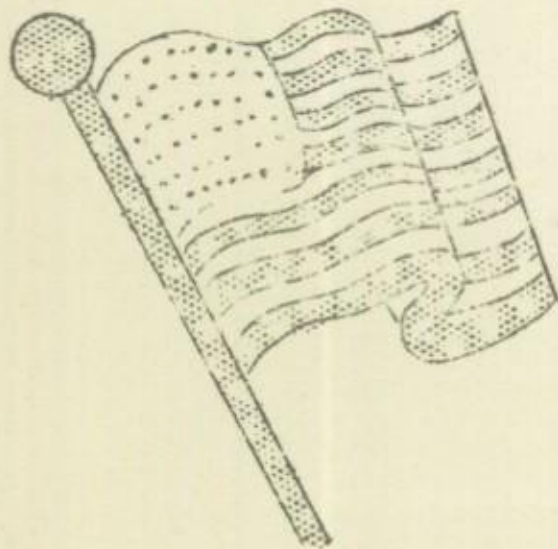

September 16, 1941, found fifty-five eager Sophomores gathered at W. H. S. ready to fill the vacancy left by last year's class.

Determined to do their best and make Willamina high an outstanding school, quite a few made the football and baseball teams. Two made the "A" basketball team and the "B" squad was almost fully composed of Sophomores.

Three girls were in the sextet, doing their part for the enjoyment of the school and community. Other students were members of the school band.

With this as our progressive start, look for great results from this class of 1944.

CLASS HISTORY

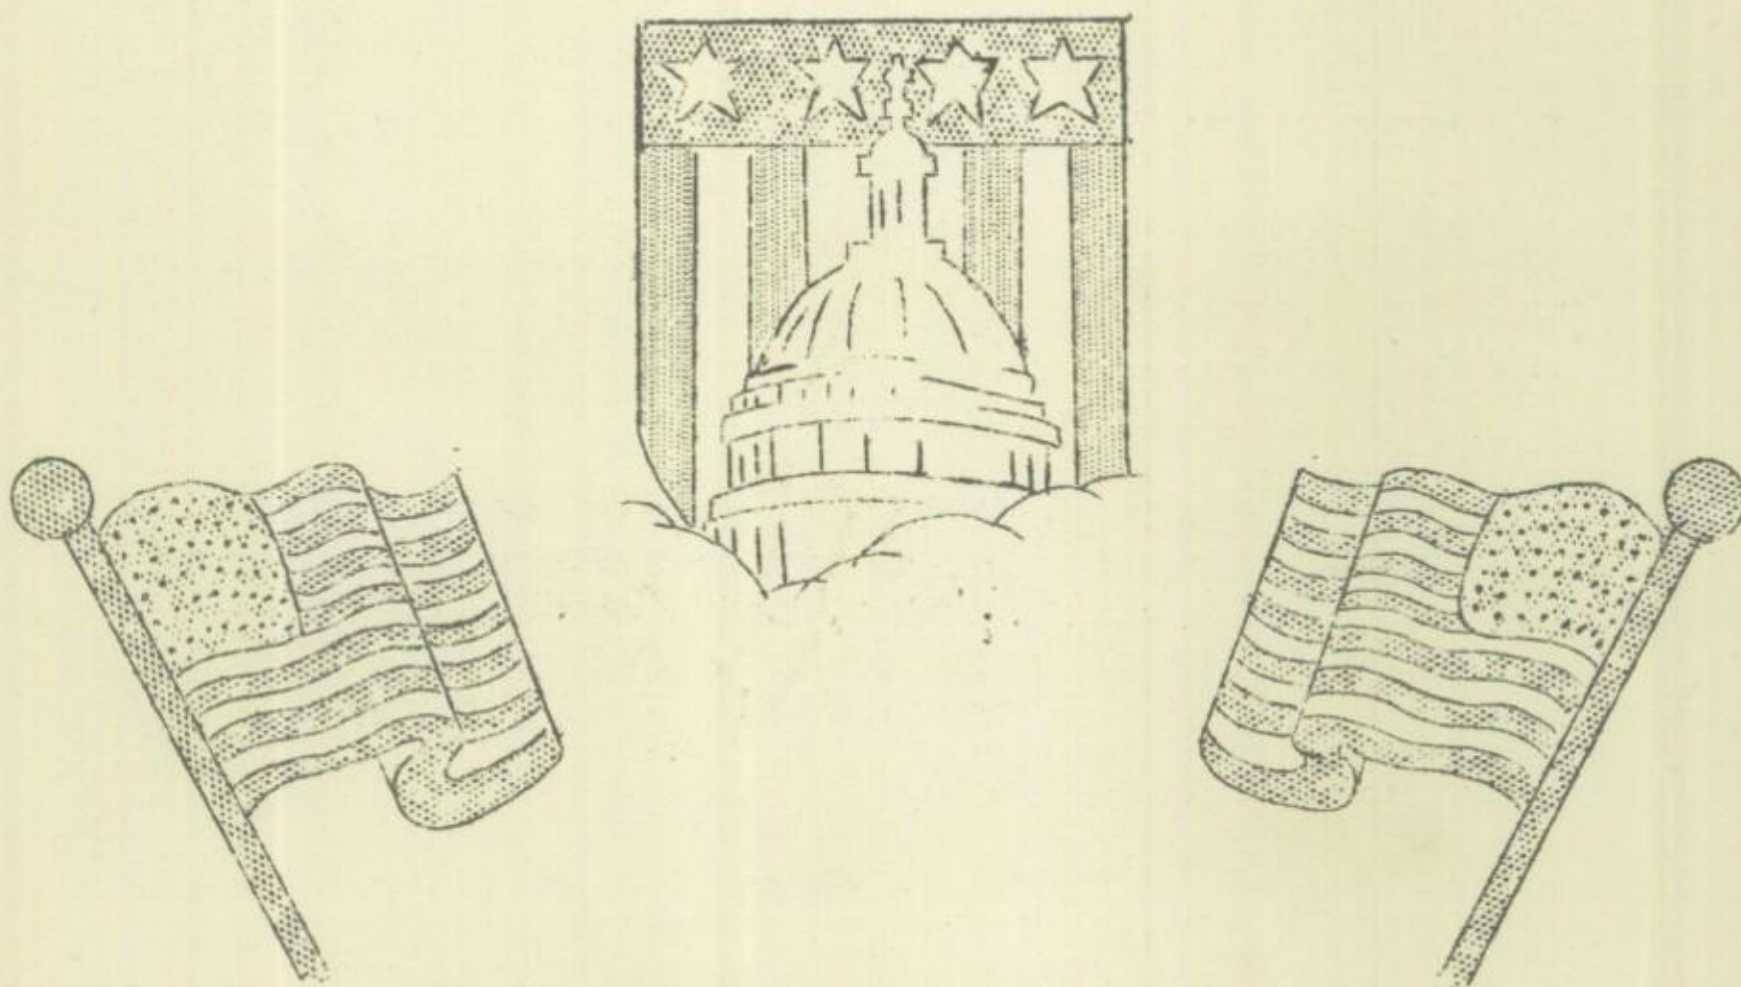

Mingling with mighty upper classmen, on the morning of September 16, 1941, were forty-eight timid "freshies" coming to high school with noble ambitions.

We were just beginning to feel confident when the dreadful day of initiation arrived. The girls came dressed in slacks rolled above their knees, green socks, and wearing pop's baggy shirt. The boys were dressed in undershirt and tie, old pants cut about the knees, and green ribbons adorned their hair. Then in the evening there was the party and dance. Many who didn't know how to dance, soon learned and enjoyed the whole day of being initiated. We were all very glad to become a regular member of Willamina High School.

Among the more athletic Freshman boys there were four who made the football team and two who made the "B" Squad basketball team.

We will be glad to leave our position as "freshies" open for the next year's class and go on to the sophomore's vacancy.

PEP RALLYS

In order to get in the proper spirit for forthcoming athletic contests, pep rallies were held before each game.

Students assembled in the gym and were led in the school songs and school yells by Barbara and Betty Brown, our two yell leaders.

If the game was an especially important one, Coach Hiatt made a pep talk, both to the students and to his team.

Sometimes boys of the team were asked by their coach to give their opinions on the game.

FOOTBALL

The Willamina football team had a tough seven game schedule this year, and out of those seven games they were only able to win one game. Willamina's only win came in the second game of the season when they defeated Monmouth 7-0 at Monmouth.

Willamina was superior in the kicking department to all except one opponent, and that one was Amity. The Bulldogs averaged 37 yards per kick. The passing attack was very weak.

John Davis, flashy halfback, led the scoring with two touchdowns and one conversion point for a total of 13 points. Mode scored one touchdown, and Cooper made one conversion point.

BASKETBALL

The Willamina Bulldogs had a rather spotted season, winning 12 and losing 10, but finished in second place in the Yamhill-Polk league and advanced to the finals of the District 8 tournament.

Coach Hiatt's boys scored a total of 734 points during the season to 649 points for their opponents.

John Davis with 255 and Bruce Brown with 131 points led the Polk-Yamhill scoring for the year. Davis averaged 18 points per game in league contests.

BASEBALL

Willamina's baseball record for 1942 wasn't too impressive, with two wins and three losses, but several of the losses were by just a single run margin and could have gone either way.

The Bulldogs started out the season in grand style by defeating Dallas 5-3. Jim Houle pitched the victory. Dallas went on from here to sweep their remaining games without a loss, however, and win the cup.

The next game was a thrill-packed clash with Amity, which the Warriors won 3-2, with Larkins chucking for the Bulldogs. Then the Bulldogs lost one to Monmouth 6-5, and edged out Sheridan 8-7 to close the season.

Dale Mode and Albin Cooper led the hitting for the year.

Ralph Davis chucked two victories against no defeats for the "B" squad, looking very impressive in both.

TRACK

The 1942 edition of the Willamina track team had a very successful season. They didn't win any meets as a team, but several individual performances rate special notice.

The relay team of Disch, Duncan, Sack, and Wilkerson won first place in the Class C Medley Relay races at both the Hill Military Academy and the Hayward Relays. They set a new record for the State of Oregon in the Class C Division at the Hayward meet.

Bobby Wilkerson, Willamina's dynamic speedster and crack miler, was the best individual performer during the season. He captured first in the mile in the League, County, and District meets to enter the State Tournament. He captured fourth in the State. Jerry Disch made the District in the 440 but lost out there.

Bob's fastest time in the mile was 4:35.

GIRLS' SPORTS

Girls' sports in Willamina do not play as important part as boys, but the girls take a part in all interclass sport tournaments and make them worth while and also a lot of fun.

Our first sport of the year is volley ball. We have various games between classes; then at the end of the season each class picks a team for the final tournament to determine the best class team. The classes chose the following girls as their captains.

Freshman	Betty Ross
Sophomore	Daisy Robertson
Junior	Betty Harpole
Senior	Blandine Holmes

Our next tournament was basketball which the girls made very peppy and interesting to the whole school. The following girls were chosen as captains.

Freshman	Charlene Bice
Sophomore	Daisy Robertson
Junior	Bobby Brown
Senior	Anne Reinbold

Due to the fact that we do not have an outdoor tennis court, tennis was omitted from the physical education program.

Last, but not least, was the baseball tournament. The ambitious and energetic girls again chose their captains.

Freshman	Louella Davidson
Sophomore	Jean Fouts
Junior	Betty Brown
Senior	Blandine Holmes

Searchlight

As the school paper expands, the prouder we are of the "Searchlight." For the first time Willamina was represented at the Press Conference in Eugene. No honors were won, but many pointers were given on improvement of the paper.

Earnest endeavor on the part of all students in the journalism classes helped to make the paper a success. We wish to express many thanks to the townspeople and business firms for their excellent cooperation.

STUDENT COUNCIL

In behalf of the student body, we wish to thank the members of the student council for the splendid job they have done in upholding the constitution of Willamina High School.

It has been stated by some that Willamina possesses one of the most powerful student organizations in the state. This is made possible by the leaders of the school who believe strictly and firmly in "self government for the people and by the people."

The Willamina Student Association owes a great deal to the following leaders of their government.

Richard Buswell	President
Bobby Wilkerson	Vice President
Betty Jean Hofrichter	Secretary
Bill Stewart	Treasurer
Troy McGowan	Tax Commissioner
Bruce Brown	Book Store Manager
Bobby Brown	Advertising Manager
Robert Duncan	Boys Athletic Manager
Blandine Holmes	Girls Athletic Manager
Charles Kelly	Senior Representative
Dorothy Hellekes	Junior Representative
Robert Johnson	Sophomore Representative
Harriet McBee	Freshman Representative

BAND

With an increase of 24 per cent over last year's enrollment, the band got off with a big start this year. They played for student assemblies and other school activities.

The band made great progress this year under the direction of Mr. Carson, band instructor for the first semester. At the beginning of the second semester, Carl Bowman took over the band due to the fact that Mr. Carson was unable to continue his work in Willamina. Both instructors deserve credit for the improvement they have made in the band this year.

The band held successful paper drives to raise funds for new instruments and sheet music.

G. A. A.

The purpose of the Girl's Athletic Association is to maintain good sportmanship. The girls may earn letters by making eighty points. These points are earned in the following ways: skating, bicycling, hiking and inter-class games.

The G.A.A. sponsored a candy sale this year and helped serve at the letterman's banquet.

The officers for this year were:

President	Anne Reinbold
Vice President	Fay Larkins
Secretary	Betty Zetterberg
Treasurer	Betty Brown

LETTERMEN CLUB

The "W" Club, better known as the Lettermen's Club was organized in 1940 and Coach Hiatt was chosen as honorary advisor. The Lettermen Club is an honorary club. In order to be a member the boy must earn a letter in a major sport field. The officers for this year were:

President	Richard Buswell
Vice President	Willard Murphy
Secretary	John Ross
Treasurer	Bruce Brown

The duties of the club are to usher at all athletic contests and programs. It is also their duty to make the "W" on their sweater something of which to be proud. At present there are 25 members in the Lettermen Club.

One of the annual affairs of the club is the Father and Son banquet. The purpose of the banquet is to bring about a closer understanding between fathers and sons in behalf of the athletic program of the school.

GIRLS' SEXTET

Six voices blending together in melodious harmony brought fame to the high school sextet.

At the beginning of the year, the sextet included Betty Zetterberg and La Vaughn Matthews, sopranos; Kathryn Ray and Blondina Lawson, altos; and Luzelle Bunn and Evelyn Westwang, second sopranos.

The latter part of the first semester, the sextet lost Blondina Lawson and Luzelle Bunn because of changes in their schedule. They were replaced by Agnes Westwang and Velma Ann Ottinger.

The girls sang several times for the Civic Club, school plays, school assemblies and several other programs.

The Sextet is sorry to lose two of its members by graduation.

GIRLS' GLEE

The Girls' Glee club performed very successfully this year under the direction of Miss Weber. At the beginning, the Freshman glee club practiced separately, but during the last semester, both glee clubs were combined.

The officers for this year were:

President	Helen Jahn
Vice President	Betty Zetterberg
Secretary Treasurer	Florence Blanchard

The entire glee club, together with the boys' glee directed by Mr. Warren, sang for the Christmas program and the defense rally. A variety show was presented by the glee clubs and band on Mar. 31.

GIRLS' LEAGUE

The Girls' League was started last year and has been continued for the new school year of 1941-42 with the following officers:

President	Bonita Myers
Vice President	Fay Larkins
Secretary and Treasurer . .	Betty Harpole
Council Representative .	Blondina Lawson

During the school year the girls had various candy, popcorn and doughnut sales.

On December 6, they attended a Girls' Conference at Beaverton, Oregon, with 18 schools of Washington, Yamhill, and Polk counties represented.

GIRLS' SHOP

The girls' shop class was started last year to enable the girls to try their hands at making different shop projects. When they first started, there were ten girls in the class. At the end of the first semester there were only four. To begin with, they made sketches. Since then, they have made book ends, letter files, and dressing tables. Although they missed the nail and hit their hands at first, the girls soon learned how to construct things.

FIRE SQUAD ACTIVITIES

The Willamina High School Fire Squad was organized during the first of the school year. The members were selected by each member of last year's fire squad that was still in school. At the first meeting a fire chief was elected. The fire squad chose Troy McGowan as chief with Kenneth Stanenko as assistant. Charles Kelly and Tony Hass were placed as captains. The membership was twenty, which was considered sufficient in case of a fire or an air raid.

The fire squad was several times instructed in the correct positions and duties during air raids.

SENIOR PLAY

Clark Willards' thrilling three act play, "The Yellow Shadow," was presented March 10 in the auditorium of Willamina High School. The play was under the direction of Miss Maxine Morgan.

Mildred Marvin had come to Viewcrest Manor to claim the property which was bequeathed her by the late Maxwell Marvin, her uncle. The uncanny surroundings terrify Mildred, reaching a climax when she is kidnapped. The household is cast under the spell of a gruesome influence known as the Yellow Shadow. Wherever the Yellow Shadow stalks, death and destruction occur. In a series of hair-raising and comical happenings, the Yellow Shadow is finally revealed to be none other than the attorney, Gilbert Wright, who was using Viewcrest Manor as a hiding place for smuggled orientals.

The cast included:

JUNIOR PLAY

"Aunt Min Drops In" a farce in three acts, was presented by the Junior Class, April 23, 1942. This play was under the direction of Miss Stevenson.

Eddie Eddy comes incognito to the ranch he has inherited and runs into the midst of much excitement. Miss Downey, the former owner, is worried about how long she will remain as manager of the ranch, while Ivy and Gracie, young guests of Miss Downey, are worried about finding eligible young men for heart interest and about their Aunt Minnie, whom they have never seen. Alex, the cowhand, is worried about his pet cow; the professor who is spending the summer on the ranch is worried that he will not dig more fossils; Enough, the colored cook doesn't know whether she will see the South again. Mrs. Fotheringay, socialite from the East, her daughter, and Sir Frederick Twitchet Twitchet arrive at the ranch. The house is not yet full enough, for to it comes the escaped convict, Slicker Sam, who is trying to keep a step ahead of a deaf sheriff. The criminal is finally caught and proven to be the son of the socialite, Mrs. Fotheringay, who has been looking for him for over a year. Mrs. Fotheringay proves that the Slicker is no longer hunted by the law and he is freed. At the end, every one is happy. Mrs. Fotheringay has her son; Freddie has Alicia, Aunt Minnie has the Professor; Mrs. Downey has a new boss; Ivy has Alex and his old milk cow; Enough has a headache; and the Sheriff still can't hear a word they are saying.

"HI, NEIGHBOR!"

Pause a moment before you make the unfortunate mistake of casting your disillusioned peepers upon the corny "catastrophes" and uncerimonious slander that presents itself in the following pages.

"We'll be honest with you" and "give you our word" that if you curb your curiosity now, you'll never have "blues in the night" or hear "the wise old owl" singing "Elmer's tune" beneath "Rose O'day's" window in your sleep.

However if you forget what "your mama done told you" and feast upon the information disclosed within, you will always regret it and often wish you were "a gay ranchero" "deep in the heart of Texas" "with the wind and the rain in your hair". But "keep cool, fool"; you will be gently laid to rest "high on a windy hill" and "Jim will bring you pretty flowers".

Don't ask "why we don't do this more often" because it's plain to see "we've got it bad and that ain't good".

"G'bye Now"

Alice Bedortha

ANNE REINBOLD "What's the difference between a man with asthma, a farmer milking, and an Eskimo fan dancer?"

ARLENE PHILLIPS "What?"
